

1 **UNITED STATES DISTRICT COURT**
2 **DISTRICT OF NEVADA**

3 LAUSTEVEION JOHNSON,

Case No.: 2:17-cv-01121-APG-DJA

4 Plaintiff

Order

5 v.

(ECF No. 60)

6 DAVID WILLIS, et al.,

7 Defendants

8 The defendants' motion to extend the time to file a joint pretrial order (ECF No. 60) is
9 GRANTED. The Joint Pretrial Order is due by **August 3, 2020**. However, I caution the parties
10 that it is improper to list as trial exhibits such categories as "Any and all documents filed within
11 this matter," and "all exhibits produced throughout this matter." *See* ECF No 60-1 at 8. Local
12 Rule 16-3(b)(8) requires parties to list their specific trial exhibits, rather than vaguely referring to
13 "all exhibits." Broad designations of exhibits make it impossible for the other party to object as
14 required by Local Rule 16-3(b)(8)(B). And, Local Rule 16-3 is designed to force the parties to
15 think hard about what evidence they need to prove their case at trial, in order to streamline trial
16 preparation and presentation. The draft Joint Pretrial Order submitted as ECF No. 60-1 will be
17 rejected if it is not more narrowly tailored.

18 Dated: July 23, 2020.
